

On amendment to the Terms and Conditions of Use of the Cryptoplatform (Trading Platform), Other Software and the Website under the unilateral and extrajudicial procedure

Based on sub-clause 2.3.4 of the clause 2 of the Terms and Conditions of Use of the Cryptoplatform (Trading Platform), Other Software and the Website (hereinafter – T&C), paragraph 3 of the Article 420 of the Civil Code of the Republic of Belarus Currency Com Bel LLC has unilaterally and extrajudicially changed the T&C on December 24, 2021 as follows (what it hereby notifies clients about):

Sub-clause 6.4 of the clause 6 of the T&C has been supplemented with the following paragraph:

«a *stop order of the section (mode) “Exchange” of the Platform* is an order stipulating the specific price which taking into account the character of the transaction (operation) on the Platform is worse for You than the market price indicated (existing) on the Platform at the moment of sending (placing on the Platform) of this order. If You send (place on the Platform) a *stop order of the section (mode) “Exchange” of the Platform*, We’ll accept (execute) it in full or in part, depending on the liquidity of the relevant token market, at that specific price which has been stipulated by You in this order or at the price which vary from the said specific price (because of volatility), provided that the said specific price has been actually reached (indicated) on the Platform.».

This change of the T&C enter into force on 27 December 2021.
