

Dear client!

We are changing the legal entity of our company. This is to ensure we can deliver you the best possible client care and stability in a time of market volatility and increasing global unrest. Don't worry, your trading will not be affected. But just so you're aware, here's what we're doing:

1. We are creating **Currency Com Global LLC**, which will replace **Currency Com Bel LLC**;
2. This is our new [Contract](#), which is almost identical to the previous contract that you signed when you joined the platform.

If you do not object to this within 24 hours then we will assume that you are consenting to continue trading with **Currency Com Global LLC**. We will then move your current leverage-operations and re-submit your pending orders for you.

It will not affect your financial results. Your cryptocurrencies will be withdrawn from Currency Com Bel LLC and deposited to **Currency Com Global LLC** and ".cx" tokens issued by Currency Com Bel LLC will be converted into the similar tokens issued by **Currency Com Global LLC** (".cxc" tokens). **You will not suffer any losses. Your funds will remain the same.**

If you have any questions, concerns or objections then please contact support@currency.com.

If you do not accept our new [Contract](#) (and our migration from Currency Com Bel LLC to Currency Com Global LLC) then your Currency.com account will be closed and all funds will be returned to you.

With respect and care,
Currency Com Global LLC
